

2024 BAY AREA SUMMIT March 14th, 2024 @ UC Berkeley

OneGoal's mission is to lead the movement to transform postsecondary advising and support.

Each year, Student Summits held across the country bring together OneGoal students for a day of learning and connection with each other and community members. These inspiring and empowering events build community and create space to explore postsecondary pathways.

Our inaugural Bay Area Student Summit will take place on March 14, 2024 at UC Berkeley.

We will bring together over 500 OneGoal students to celebrate and engage in career, panel discussions, an Opportunity Fair, and more to support their postsecondary pathways.

As a Summit partner and sponsor of our event, you make an investment in our students' futures. You directly ensure that our students - and many more - have the opportunity to achieve their greatest postsecondary aspirations.

Let's close the opportunity gap. With your support, we can transform postsecondary advising and empower every student to define their own future.

Career Panel Speaker ↘

We may be able to engage your company's leaders in a career panel for our students. This is a prime opportunity to engage staff and leadership from your organization to share learnings and shape the perspectives of tomorrow's professionals.

Opportunity Fair Table ↘

We have a limited number of spots for sponsors to host a table to network with students and share internship and/or job placement opportunities. Engage staff volunteers to share their experiences and potential pathways at your organization.

In-Kind Donations ↘

During the Summit, we host giveaways and awards to fuel students' enthusiasm and appreciate our teachers. Consider contributing branded materials like gift cards, coupons, or dorm supplies to go in swag bags or raffle items. Your gift makes a big difference in the success of this event and helps us inspire students to reach their greatest postsecondary aspirations.
