# Application Roadmap

There are five key steps to receiving funding from the Enrollment Grant.

**Review:** Read through this resource packet and visit the Enrollment Grant webpage to understand how to apply before you submit your application.

**Apply:** The Enrollment Grant application will go live on July 15th!

**Fellow Next Steps:** You will schedule time with an Enrollment Grant team member OR follow up as needed with a OneGoal representative for next steps.

**Application Review:** Keep a look out for an email from the Enrollment Grant team! You will receive application updates with required next steps via the email address you provide on your application.

**Approved:** Once a Fellow has taken the correct steps, a meeting will be scheduled and/or your request will be funded (if applicable and while funding is available). All receipts will be emailed to you for your records.

# Eligibility Criteria

Need money for books, school fees or other college and postsecondary program expenses? Fellows from the Class of 2024 and earlier could be eligible for the OneGoal Enrollment Grant, which covers qualifying financial expenses toward enrollment and persistence in college or other postsecondary programs.
